

A stylized illustration of four people (two women and two men) working together to assemble a large puzzle. The puzzle is composed of several large pieces, some of which are orange and others are white. The people are dressed in casual attire, with some wearing orange shirts. The background is dark grey, and various icons are scattered around, including a laptop, a calendar, a magnifying glass, and a pencil. The overall theme is teamwork and problem-solving.

Q1. Explain the purpose, and importance of the OSI Model, and briefly describe each layer of the OSI model with an example.

Q2. Explain the purpose, and importance of the TCP/IP, and briefly describe the different layers of the TCP/IP model.
